

SHELL CAPRINUS XR 40 975L TOTE

Description:

Shell Caprinus SAE 40 is a high performance, chlorine- and zinc-free marine and railroad engine oil. It's specially formulated to produce clean and optimally-running engines. It is recommended for 2-cycle and 4-cycle diesel engines and similar diesel engines that are used either as main or auxiliary engines. It can also be used in stationary engines when you need the performance of API CF and API CD rated oils.

Size:	975 L Tote
Grade:	40W
Product Type:	Railroad Diesel Engine Oil
Viscosity at 40 C:	150 cSt
Viscosity at 100 C:	15.1 cSt
Flash Point:	-9 C
Brand:	Shell
