

PURODOR

Ultra Concentrated Antibacterial Liquid Deodorant & Air Sanitizer

DESCRIPTION

PURODOR is an ultra concentrated superior quality liquid deodorant and air sanitizer used to neutralize bad odours at the source such as mildew, vomit, tobacco, smoke, rest rooms, garbage bins, changing-rooms, litters, garbage compactor, everywhere where there are bad odours. Available in five different fragrances: mango, orange, cherry, green apple and spring breeze.

ADVANTAGES

1. Biodegradable and safe for the environment.
2. Eliminates at source germs that are the cause of bad odours, so that gives it a remarkable power of neutralization.
3. Its ultra concentrated formula controls odours even if you use a little bit, so that is a very economical product.
4. Available in five different fragrances.
