

## 1-1/2" SURELOCK MALE NPT

### Description:

1-1/2 inch Sure-Lock Male NPT End coupling for water and air, commonly used in construction and mining. Excels in services where ease, economy, safety and speed are paramount. The pressure activated gasket allows easy coupling (less than 15 lbs. of force is required to connect the coupling) and gaskets seal upon introduction of line pressure.

<b>Weight:</b>	1.83 lb
