

BAR & CHAIN OIL

Description:

This bar and chain lube is specially compounded to provide extra tackiness and prevent "throw off" even under adverse weather conditions. Provides maximum engine power, low friction, and faster cutting time. High film-strength prevents wear or scuffing of chain links and bars while protecting metal parts against corrosion and rust. Resists build-up of deposits such as pitch, sap or gum.

Package Size:	3.8 Liter
Colour:	Golden to dark amber
Flash Point:	199 F
Viscosity:	160 cSt at 40C
