

## HyFlex® Foam Gray™ Gloves

### Features:

HyFlex® 11-801 industrial gloves' darker liner helps extend wear life by masking dirt. Their nitrile foam coating also makes them 30% more breathable than comparable gloves, for less irritable daily wear. The same nitrile coating enhances grip, making them ideal in dry and slightly oily environments. Recommended for; Picking, fastening components. Adjusting systems and screwing. Loading and unloading trucks and vehicles. Handling incoming goods. Product shipping, transport and delivery. Lock smith. Available in the below sizes
