

## SPIKEFAST ES-50

### DESCRIPTION:

SPIKEFAST® is a tie-plugging compound for wood & composite railroad ties. SpikeFast's unique two part non-foam polyurethane anchors spikes with the holding strength comparable to new hardwood ties. SpikeFast outperforms wood plugs, polymeric and epoxy foam in both lateral and pull-out resistance. Each cartridge fills approximately 15 holes.

<b>Type:</b>	Compound adhesive
<b>Size:</b>	12 per box
