

# BLURITE NITRILE EXAM GLOVES

Ideal for medical examination or other healthcare related applications, RONCO Blurite™ is an excellent all-purpose glove made from 100% nitrile. As an alternative to latex, Blurite™ offers exceptional durability, touch sensitivity and good resistance to a variety of chemicals.

- Tensile strength – High
- Chemical / Solvent Resistance – Moderate
- Comfortable for all-day wear     Reduces hand fatigue
- Textured for strong grip
