

CROWN MOLY OPEN CHAIN LUBE OIL

Description:

A high-grade lubricating oil that is fortified with molybdenum disulfide to penetrate inaccessible areas. Provides superior lubrication where temperature and stress will break down ordinary lubricants. Will not wash away or rub off. Provides excellent metal penetration. Reduces wear and increases chain life

Specifications:

Packing Type:	Aerosol Can
Wt:	1 lb
Temperature Range:	300° F to -25° F
Applicable Materials:	Metal
