

## **KLING-UP TOILET & URINAL GEL CLEANER**

### **DESCRIPTION:**

Kling-Up is a powerful toilet gel cleaner made for easy maintenance. With its disinfecting and cleaning agents, it efficiently dissolves hard water and urine stains, rust, calcareous deposit and stubborn stains. Do not evaporate like usual muriatic acid products. It stops bad odours and it is safe for white and coloured bowls, septic tanks and plumbing.

### **ADVANTAGES:**

- Kills 99.9% of germs
- It is biodegradable and safe for septic tanks and plumbing
- Clean and disinfect in one step
- Emits a fresh fragrance that stops bad odours

<b>Size:</b>	1-liter jug
<b>Fragrance:</b>	Peppermint
<b>Colour:</b>	Blue
<b>Density (@20 C):</b>	1.22 g/cc
<b>Ph:</b>	1.0
<b>Biodegradability:</b>	Complete
<b>Flash Point:</b>	More than 65 C
<b>Freezing Stability:</b>	Keep out from freezing

#### **DIRECTIONS:**

Carefully squeeze a generous amount (120ml) of product under the rim and directly on the side of the bowl, let it rundown into the water. For disinfection, let soak for 10 minutes and brush entire bowl. For tough stains bowls, let soak for 15 minutes before brushing. Flush toilet clean. Close cap securely after each use.
