

Blue industrial-grade 4 mil nitrile disposable gloves for contamination detection, dexterity, and high touch sensitivity

Glove Sizing Guide

Measure the width of your hand from the base of your first finger (index) and across your knuckles.

Size Name | **Measurement** (MM / INCHES)

● 5 / 2XS	50 MM / 2 IN
● 6 / XS	63 MM / 2.5 IN
● 7 / S	75 MM / 3 IN
● 8 / M	88 MM / 3.5 IN
○ 9 / L	101 MM / 4 IN
● 10 / XL	113 MM / 4.5 IN
● 11 / 2XL	126 MM / 5 IN
● 12 / 3XL	140 MM / 5.5 IN

If between sizes, we recommend sizing up for fit.

A proper fit is extremely important. An uncomfortable fit causes hand fatigue and ultimately could lead to a potential workplace hazard.

ABOUT THE PRODUCT

Our KeepKleen® RDCNPF industrial-grade disposable nitrile gloves offer better dexterity and high touch sensitivity. 4 mil thickness and rolled cuffs offer greater tear resistance. Powder-free and suitable for food handling, plus the blue color helps detect food contaminants. Ideal for food processing.
